**The Preble County Historical Society is bringing state funds home to our community by our aggressive program to develop the Historical Center property in accordance with our Master Plan and in accordance with the Society's goals and programs to serve the community. By raising community financial support to match the state funds, the economic development contributions to our community are more than doubled.**

***You can help* us by becoming a partner through financial support for construction, ongoing maintenance, and programming to serve and enrich our community.**
